

## Perkins Technical Assistance Workshop April 6, 2006

Welcome!

## Perkins Reauthorization Update

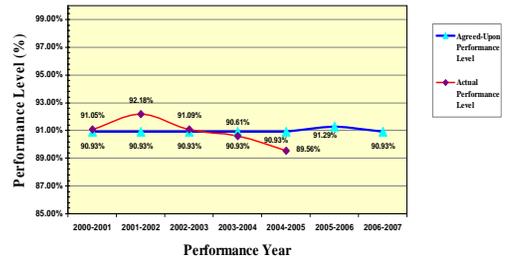

- Administration recommends elimination of Perkins in 2006 and 2007 budgets
- House and Senate Conference committees finishing discussion on Perkins IV
- Reauthorization uses Perkins III as the base.
- 2006-2007 allocations will be finalized by next week

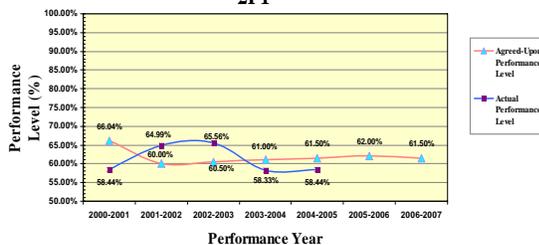

## South Dakota Core Indicators of Performance 2000-2005

Perkins Accountability - Standards & Measures

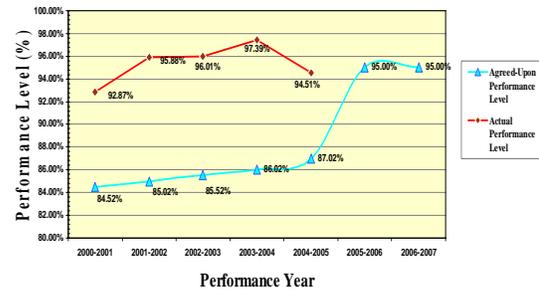

### South Dakota Postsecondary Academic & Technical Skill Achievement 2000-2005, 1P1 & 1P2

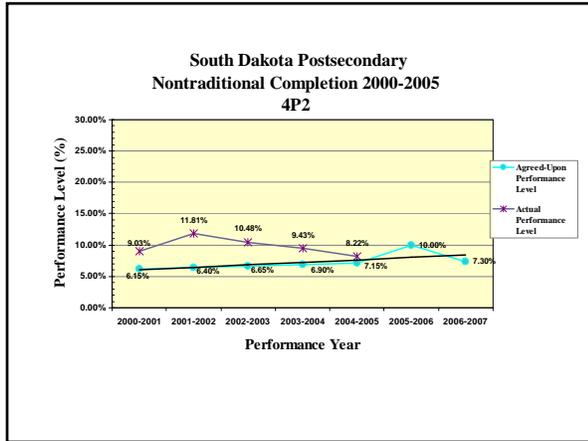

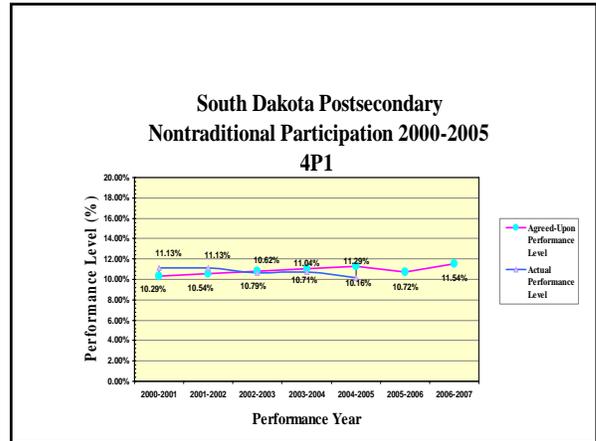

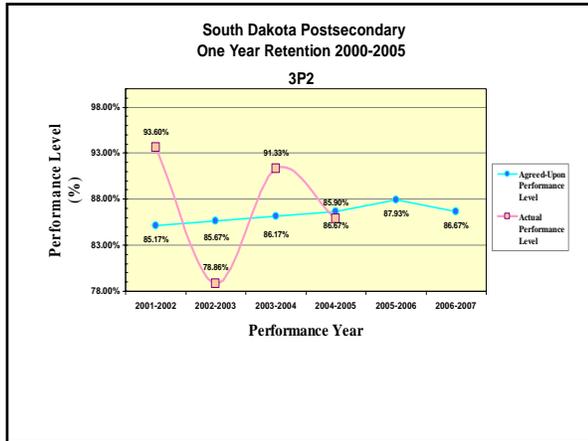

### South Dakota Postsecondary Certificate/ Diploma 2000-2005 2P1

### South Dakota Postsecondary Total Placement 2000-2005, 6 months 3P1

- ## OVAE Audit Recommendations
- Retool the Perkins budget request format to include specific program areas, such as special populations, professional development, guidance, program improvement, etc.
  - Target budget to reflect needs identified through accountability system/track expenditure of funds in relationship to performance results
  - Use budget "matrix" instead of budget "table" to include accounting and program categories so expenditures can be tracked by program area

- ## OVAE Audit Recommendations
- Establish floors and ceilings on spending
  - Limit the amount of funds that can be expended in one category, e.g., X% on equipment, X% on travel, X% on guidance counselors.
  - Discontinue the practice of allowing use of Perkins funds for salaries for extended periods
  - Use performance data for monitoring in the PIP

### Suggested Budget Matrix - Addresses Federal Audit Suggestions to Specify Accounting & Program Categories

Accounting Categories Program Categories	Professional Development	Program Initiation / Expansion/ Improvement	Special Populations	Guidance
Contractual (No more than 10%)				
Supplemental				
Travel				
Instructional Materials				
Equipment
